REQUEST TO CORRECT PTO RECORDS RE: LISTING OF INVENTORS**

Commissioner of Patents & Trademarks  
Washington, D.C. 20231

Dear Sir:

Enclosed herewith is an executed Declaration/Power of Attorney (three copies) signed separately by each of the three (3) inventors, which was missing from the original application filed on September 27, 2004.

It should be noted that the original declaration/power of attorney submitted on September 27, 2004 was unsigned and incorrect as it only identified two of the three inventors. An executed declaration has never been submitted in this case and a Notice of Missing Parts was never received by the undersigned.

Credit card form PTO-2038 in the amount of \$ 65.00 is enclosed to cover the official surcharge for the late filing of the Declaration. The Commissioner is hereby authorized to charge any additional fees which may be required at any time during the prosecution of this

application, without specific authorization, or credit any overpayment, except for the

It is requested that the official PTO records be amended to reflect and identify all three  
inventors.

Respectfully submitted,
